12. On which date Service Rules of Punjab Judicial Academy were approved by the Chairperson? Provide a certified copy of the Punjab Judicial Academy Service Rules.

2. Through a letter dated 02/09/2015, the Commission called upon the Respondent to either transfer the application/ letter to the relevant Public Information Officer (PIO), or decide it himself for being a deemed PIO (i.e. if no PIO has been designated). Through a letter dated 14-09-2015, the Respondent acknowledged that a request for access to information had been received from the complainant but pointed out that the application didn't disclose any address. He further stated that the PIO had tried to contact the complainant on her given phone number but she could not be contacted, nor did she herself contact the Respondent or the PIO. Furthermore, it was argued that the complainant has no *locus standi* to receive the requested information, as it was related to the services of employees and internal establishment of the Academy. Following this response, the Commission itself contacted the Complainant and obtained her address, which was communicated to the Respondent. The Commission also asked the designated PIO of the Academy to appear for hearing at 12PM on 01/10/2015.

3. During the hearing, the PIO raised the issues of *locus standi* of the complainant and that the requested information is about the internal functions of the Academy. He was, however, informed that any citizen can file an application for access to information and that public bodies have been barred from requiring the applicants to provide reasons for request for information under section 10(3) of the Act. Therefore, the question of *locus standi* is not relevant in the context of applications filed under the Act. Similarly, the Commission pointed out that information can be withheld only if its disclosure is likely to cause harm to any of the interests protected under section 13 of the Act. The Commission also examined the application of the complainant in the presence of the PIO and, after considering the points raised by him, held that the information sought is not exempt under section 13 of the Act. The PIO assured the Commission that its directions regarding the complaint will be implemented in letter and spirit.

4. The complaint is allowed. The Respondent and the PIO are directed to provide all the requested information to the Complainant as soon as possible but not later than 23/10/2015, and submit a compliance report to the Commission. A copy of this order may be sent to the Complainant for information.
