

**EXPRESSION PERTAINING TO PUNJAB INFORMATION COMMISSION**

**(PIC)**

We, advocates of Lahore High Court, visited the office of PIC on some compliance of necessary required information and we appreciate the work of PIC under the Chiefship of Mr. Mehboob Qadir Shah (Retd) District & Sessions Judge, with other learned member of the Commission whose hardship work, is providing the delivery of required information even in the resisting problems / atmosphere of the concerned departments and a suggestion for promotion the work of PIC, is being given by us that Department must be compelled to ensure the delivery of required information as dumped by the predecessor Government on its own wisdom.

We pray, in this regard to success for the PIC in its own work accordingly, please.
